- Weapon Scanners
- Boom Barriers
- Ex Ray Baggage Scanners

Mobile Patrols

Crime prevention is our priority, and we are also quick to respond.

Mobile Patrols provides a flexible, cost-effective solution to your security needs.

Our security officers are closely supervised and ably supported by their team leaders and managers. They have all kind of local knowledge and onsite training that will keep them a step ahead, whatever the situation. They also have the back-up of 24x7 security control room.

This state-of-the-art nerve center is at the fore front of CCTV/GPS technology, supporting static officers and mobile patrols in the field. Ready for the unexpected, they are also just a phone call away from our most senior managers, ready to handle any crisis.

Scope of Work

- We use uniformed response officers and liveried vehicles.
- We carry out checks for intruders, damage, signs of force entry or any other activity specified by the client
- We keep a constant vigil at your premises.
- We liaise with local law enforcement agencies in case of any incident.

Manpower

We follow a scientific approach of reviewing in detail your request for proposal particulars & understanding the scope and schedule of the project. Saan Securitas then puts together a first class team of security professionals who we think are particularly suited to the project.

We have selected prospective supervisory personnel on their ability and suitability for the type of project, and of course their availability to start right away if we are fortunate enough to be appointed.

Saan Securitas will partner with you in every stage of this project and act as both consultants and colleagues to work in a manner commensurate with both of our agency's relative skills - bringing greatly enhanced value to the project.

Experienced Personnel

We have a strong operational team headed by highly experienced senior defense officers and comprising of quality managers, mobile field officers and patrol supervisors suitably equipped with communication network.

We believe in Total Quality Management and provide value for money.

Our company is professionally organized and works on the principle of effective delegation of duties. Responsibility is fixed at each level and each individual in the structure has and sheer professionalism guides the company to scale one step after another.

SAAN SECURITAS PVT. LTD.

Security System

With the introduction of technology every field has changed, and so has the way we perceive the security.

Guards have been replaced by CCTV's motion sensors, and new age devices have taken over from traditional methods of security.

Now we can see cameras installed at every strategic location in the country.

Technology break through has made it possible to decrease costs which have led to increase demand for these products.

SOP OPERATIONS

GENERAL

- 1) MNC culture is growing in **India** .Demand of quality security services is increasing day by day. Clients are ready to pay higher charges for quality services .Old " Chowkidar culture is no more tolerable to clients .With high technology gadgets now available in the market ,as such our security personnel should be trained in use of new gadgets and technology .Some silent features for good security operation are as under:-
 - (a) Dress
 - (b) Good Manners /Conduct
 - (c) Liaison .Regular liaison with clients solves many problems in the initial stages only .However as guideline the following should be adopted;-
 - 1) At Least twice a month by Br Mgr (Operations) and on required basis.
 - 2) Field officer should visit the site daily Client Meeting be attended at least once in a week or more as per requirement.
 - (d) These visit are other then the visits on call by client .for efficient operations a constant touch should be maintained with the client
 - (e) **Half Yearly Security Audit.** Half yearly security audit of all sites must be carried out by **regional Mgr / Branch Manager (Ops)**. Report should be sent to client's **MD** for security and HR Manager for action. It must include short coming in the present security arrangement and suggestions for improvement .If Possible Br Mgr (Ops) should hand over the report personally to MD and explain its salient points/features.
 - (f) **Night Check.** Generally Guards on duty start slackening in their duty after midnight .During winter season they go inside the covered area' s leaving their posts. Wherever required a field officer for night check may be appointed on recommendation of **Br Mgr**. To ensure the guards do their duty properly .night checks must be carried out between 0100hrs to 0500 hrs by appointments as under:-
 - I. **Br Mgr** - **Once a month**
 - II. **Field Office** - **Twice a week**
 - III. **Night Field Officer** - **Every Night**

SAAN SECURITAS PVT. LTD.

-2-

(g) **Rotation of Security Staff:** -Security Staff generally starts becoming familiar with client and staff/workers at site. Familiarity leads corruption. To avoid this all security personnel must not be allowed to do duty at one site for more than 6 to 8 month for Guards and 1 year for supervisors.

(h) **Briefing of field staff by Br Manager (Ops).** We continuously keep on learning and having new experiences .There are always certain instructions and orders to be passed to all Br Mgr (Ops) of a branch must hold at least a weekly meeting of his Field staff on a fixed day and time . Instructions & orders should be passed to all at the same time to avoid misunderstanding and for smooth functioning.

(i) **Liaison with Local Police**

(k) **Briefing Pre & Post Duties .** All Security personnel must be made to fall in before and after duty for proper briefing which must be done by senior most security personnel at the site. The FO or **Br Mgr** Should also make themselves available to attend such briefings This will be done on daily basis for major units and for minor units thrice a week or as per direction of **Br Mgr**. In the pre -duty briefing any special task during the shift must be explained to all .briefing any incident, unusual happenings or incident must be informed in writing and verbally at the earliest to the site Manager / Hr Manger and to the Field Officer .The Field officer must inform Br Mgr (Ops) During this ,the turnout of the security .staff should also be checked and corrected brfore dispatching them to their respective posts.

(l) **Pro – Active Approach and Initiative.** – While guarding any site, to prevent theft and avoid any incident our approach has to be proactive with lot of initiatives .We should take following actions:-

- (i) Know, what all items (small & costly) can be taken out and sold in the open market .
- (ii) Check surrounding areas of the company .like open plots, unused buildings, Tall grass, dug up areas etc.which are generally used by works to throw the items across the boundary wall and hide
- (iii) Complete boundary wall area must be lighted up with security lights at night
- (iv) Immediately after the shift changes, one security guard must be posted for one hour on the vacant plot, building, tall grass area, dug up space to keeps a watch on workers going out .security Guard Should also look for any site items outside the boundary wall. Our aim should be to catch the thief.
- (v) Any store coming in or going out must be jointly cheeked and signed by two i.e one rep of company and one of security to avoid pilferage. Otherwise complete blame for any missing /short items will be put on security.

INDUCTION /DE-INDUCTION

4. The process for Induction & de- induction of security staff at any site will be adhered to as given below:-

(a) **Induction / De-induction Procedure:** Induction & De-Induction of security personnel from a site is normal routine work. Before induction .security survey of site must be completed, Br Mgr should meet the concerned staff member to disuses the induction plan .Generally induction of skeleton staff of Guards at a site is undertaken 2 day in advance of Deployment so that the duties are understands well. On the day of deployment full strength of guard should take over. Also proper handing /taking over of all stores/inventory on charge at outgoing agency should be taken over .The documents of Handing /taking over must be signed by the Manager / Field Officer of Outgoing agency and by our Manager / FD Officer , the same should be countersigned by the site Manager.

-4-

(b) Taking over a New Site. Whenever a new site is to be taken Br Mgr (Ops) and concerned Field Officer must carry out the security survey of site in consultation with HR Manager of site .Survey Report must include the following :-

- (i) Size and topography of site .
- (ii) Numbers of security personal to be deployed.
- (iii) Steps need to be taken by client from security point of view.
- (iv) Duties of each guard at duty location.
- (v) Once a site has been taken over, Field Officer to Visit that site regularly for next 15 days a Guard mounting time to tie up loose ends.

(C) Post wise Duties. Post wise duties in the local language must form part of SOP One copy of post wise duty must be kept on person with each security guard and copy could be pasted at post site , Site if allowed by client ,for security guard to read and act in case of any doubt .

(d) Escalation Mat In the instruction, Escalation Matrix of our security company i.e. from Field Officer to **Br Manager must** be given, for the client to contact the concerned officer. It must also be clear to client, for what problem whom to contact for easy solution to the problem.

(e) De -Induction

Client must be asked to give one month notice .Advance bill for the month in which our guards are to be withdrawn must be served to the client. Client should be requested to clear the bill on or before the final day of duty of duty .In case the bill is not cleared till last day then Br Manager will not allow induction of other security agency. A proper handing / taking over of all stores on charge of our agency must be done. The documents must be countersigned by the Site Manager and copy of the same should be retained in our offices. Guards should not be withdrawn unit full cheque is received from client.

(F) Sudden Termination of Contract . Following action be taken on sudden termination of contract:

- (i) Insist client to give on the month notice.
- (ii) Give advance bill for period till the duties are be performed.
- (iii) Insist on payment of dues on or before termination of contract.
- (iv) Do not withdraw the guards till the payments are clear.

-5-

TRAINING

5. There is no substitute for training. All new recruits must be given training as per **PSAR Act**. Putting untrained security staff on duty is asking for trouble for all concerned. We should aim for quality not quantity.

(a) **One Job Training** On first posting at site, on job training of guard starts under the supervision of his security supervisor and Field Officer. For this written charter of duties should be given to him. There are certain duties which are only specific to a particular site. All guard must understand their duties. Field Officer and supervisor must keep on checking the new guards regularly. Any mistake must be politely and firmly dealt with on its merit.

(b) **Fire Fighting Training & Mock Drill.** With high rise buildings coming up in CG and other metropolitan and A CLASS CITIES, fire fighting training and mock drills for all working/residing in the building is very important. All thought these days all buildings are fully equipped with fire fighting equipment but workers specially white collar or residents are very hesitant to use the equipment. AIM of fire fighting training is to make all concerned confident of using the equipment. It must also be ensured that fire fighting equipment is always in serviceable condition. Mock drill must clear the responsibilities of all concerned in case of any emergency in the building. All elements in fire fighting will participate in the drill i.e. Fire Station, Police personnel and Hospital staff.

(c) **Emergency Procedure** All men under command will be trained to identify emergency and for quick responses to attend to that emergent situation. Security staff should intelligently and quickly respond to situations arising due to fire, bombs threat and other accidents.

BUSINESS RETENTION

6. following points be borne in mind:-

- (a) Close liaison with client.
- (b) Ensure full strength as per contract is provided at the site.
- (c) Proper training to guards.
- (d) Regular visit/checking/night checking by Br Manager and Field Staff.
- (e) Prompt response to the call of client.
- (f) Pro – active approach
- (g) Ensure liability of compliances is met in full and legally.
- (h) Ensure commitments made to client should be fulfilled, within the given time frame.

SAAN SECURITAS PVT. LTD.

establishment and penalties, on account of non-compliance with the same, are explained on our website www.epfindia.gov.in and there is a link on ECR (Electronic Challan cum Return) portal also for the same. You are required to go through them carefully.

A Starter's Kit for compliance under the Act is available for download from the ECR portal a link to which is provided from the epfindia.gov.in home page.

2. Remittance of dues under the provisions of the Act is to be made only through a Challan generated through the ECR (Electronic Challan cum Return) portal. (The process for registration on the portal, preparation of the ECR txt file and related information is available on the website and the portal).

3. In case this letter is produced as a proof of the code number of the establishment, before any person including any Inspector from EPFO, the Form 5A generated through the portal at the time of registration should be a part of this letter. The remittance details of the establishment will be available on the EPFO website through the link "Establishment Search" where from March 2012 wages onwards, all payments with the names of employees are available on the link in cases of remittances made after uploading the ECR.

4. Please quote the Code Number for all the future correspondence with EPFO.

This is a system generated letter and needs no signature.
